OFFICIAL PROVISIONS FOR BURSARIES / SCHOLARSHIPS AND IMPORTANT INFORMATION

1. Your student number must appear in ALL correspondence.
2. For external bursary/scholarship applications, an official academic record (on Nelson Mandela University letterhead) must be attached. Should any qualification have been obtained at another university, the relevant academic records must accompany the application form.
3. It is your responsibility to ensure that all sections of the application form are thoroughly completed and that the necessary documents are attached. Incomplete and late applications will automatically be disqualified.
4. Bursaries/Scholarships administered by Nelson Mandela University are usually paid out in two installments – one per semester, following receipt of a satisfactory progress report.
5. Nelson Mandela University reserves the right to claim reimbursement of the bursary/scholarship amount awarded to a student if the student does not successfully complete their studies.
6. Before applying for an externally funded scholarship opportunity, make sure that you meet the minimum requirements set by such an organisation and attach the required documentation to the application letter/form.
7. Research Capacity Development usually sets an “internal” closing date for scholarships offered by national statutory bodies (e.g. NRF and Councils) in order that applications may be validated in time for the “official” closing date. It is your responsibility to ensure that you know which closing date applies to you and that your application is handed in on time.
8. Ad hoc scholarship opportunities are posted on the Nelson Mandela University Student Portal as well as RCD’s Facebook page. It is your responsibility to look at this notice board regularly.
9. Research Capacity Development communicates with students via MEMO-student email. Students are expected to check their MEMO-student email addresses regularly.
10. Postgraduate bursaries/scholarships are not awarded automatically. Please refer to the Nelson Mandela University’s policy on the awarding of bursaries and scholarships.
11. Although great care has been taken in the compilation of this brochure, the university cannot accept responsibility for any inaccuracies that may occur.
